What does the registration fee get my team?

This depends on which registration option you choose. All registration options include the items below:

- **Inspire Set** - This LEGO set is created just for *FIRST* LEGO League Jr. teams and will be used by them to complete their challenge for the season.
- **Challenge Document** - This one page document quickly outlines the yearly challenge. This can be accessed online by everyone regardless of which option you choose.
- **Engineering Notebooks** - These notebooks are printed and shipped to teams. They complement the Team Meeting guide and are used to guide team members through the season.
- **Team Meeting Guide** - This is a guide for coaches that gives complete instructions on how to administer the *FIRST* LEGO League Jr. program. It outlines 12 sessions providing 12-16 hours of guided activities for teams.
- **Required LEGO® Education WeDo 2.0 Core Set sold separately** \$189.95 plus \$6.95 shipping
Discount available on additional products from LEGO Education.

Season Pass Registrations also include:

- **Administrator Guide** - This guide will help an administrator get the *FIRST* LEGO League Jr. program up and running, manage their Coaches and put on their own Expo for teams.

**FIRST* National Registration fee does not include participation in a Nevada Expo.

Please contact **FIRST Nevada** (www.firstnevada.org) for the registration fees, dates and times of the statewide Nevada Expos. *FIRST Nevada's FIRST LEGO League Jr. Season Fee \$50/Team/Expo*
