OUR MISSION

Our mission is to inspire young people to become science and technology leaders by engaging them in exciting mentor-based programs that build science, engineering and technology skills, that inspire innovation, and that foster well-rounded life capabilities including self-confidence, communication, and leadership. FIRST (For Inspiration and Recognition of Science and Technology)

OUR VISION

"To transform our culture by creating a world where science and technology are celebrated and where young people dream of becoming science and technology leaders." — Dean Kamen, Founder of FIRST

OUR GOALS

The ultimate goal of FIRST Nevada is to substantially strengthen the school-to-career pipeline through which young people are inspired to explore opportunities in STEAM in order to foster the next generation of science, innovation and technology leaders.

This is a multi- year funding opportunity for schools new to *FIRST* robotics. Must have principal's support at school and two coaches for your new team. Questions? Contact L.Pavlik@FIRSTNevada.org
